

## TEMPORARY CURBSIDE PICKUP

The Marion & Ed Hughes Public Library is still temporarily offering Curbside Service for customers. Library staff has worked diligently to develop procedures for Curbside Service that follow social distancing protocols while effectively serving Library customers.

### What is Curbside Service?

Curbside Service allows customers to pick up library materials that have been placed on hold. The designated Curbside Pickup Location is at the entrance to the library. Requests will be filled by staff in the order they are received.

### When can I pick up items using Curbside Service?

Curbside Service will be available **Monday through Friday from 10 a.m. to Noon and 2:00 to 5:30 p.m.**

### Who can use Curbside Service?

All Library cardholders in good standing and with unexpired library cards can use the service. You must have your library card number and you must have items on hold that are ready to be picked up.

In accordance with Centers for Disease Control and Prevention guidelines, the public is advised not to visit the library curbside program if they are experiencing any signs or symptoms of illness including but not limited to; shortness of breath, fever, sore throat or cough. Stay home and minimize exposure to others.

### How do I use the Curbside Service?

- Place items on hold using the Library [website catalog](#). You will need your library card num-

ber and pin number (may be your last name) to sign in. Once you are logged in, search for the book you would like to check out. Click on the title of the book and then, if it says available, click on Place Hold. Limited to 10 items per library card.

- If you do not have access to a computer, you may call 722-1255 to Place a Hold.

- It may take up to 24 hours to pull your items from the shelves. Please DO NOT come to the library until we call to let you know your items are ready for pickup.**

- Library staff will prepare your items for pickup. Once items are ready, they will notify you. Please let the staff member know that you will be using Curbside Service, as well as the day you will be picking up the items. That will allow us to assign the correct due date.

- Go to the Library's designated Curbside Pickup at the side of the building.

- You will need to have your library card & valid Identification with you when you arrive to pick up your items. Be sure to bring it with you.

- When you arrive at the Library's Pickup Location, call 722-1255 and let the staff know what kind of vehicle you are driving, and be prepared to show a photo ID and your library card through the closed car window. Social distancing procedures will be strictly followed. Staff will not approach a car if the windows are rolled down.

Remain in your vehicle until

library staff has checked your ID, delivered your items to the pickup area and returned inside the library. Then you may approach and pick up your library materials.

### How do I return library materials?

**DO NOT return books to the Curbside Pickup Location.** You may return your Library materials using the exterior book drops.

### What safeguards are in place with regards to books being reissued?

Books picked up using Curbside Service will not have been used by another patron for at least 3 days. In order to safeguard the health of patrons and staff, the Library is quarantining all items for 3 days after their return.

### Can you print something for me?

Due to the CDC's recommended social distancing policy, we are unable to provide this service.

### Remember...

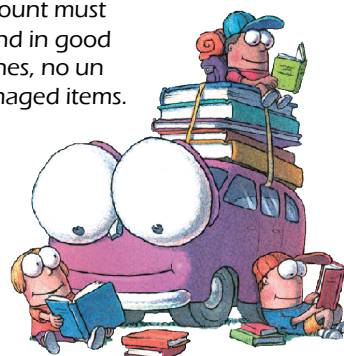

- You must stay in your car until it is time to retrieve your holds.
- You must show your library card and ID when we come out to your car.
- You must have received notification from us that your items are ready.
- Your library account must be unexpired and in good standing - no fines, no unpaid lost or damaged items.

# Hoopla

Are you tired of what is on TV right now? Do you want to try a streaming service before you commit to one? Are there ebooks you are looking for on Overdrive but can't find them? Why not try the library's newest streaming service, Hoopla?

Hoopla is a groundbreaking digital media service offered by your local public library that allows you to bor-

row movies, music, audiobooks, ebooks, comics and TV shows to enjoy on your computer, tablet, or phone – and even your TV! With no waiting, titles can be streamed immediately, or downloaded to phones or tablets for offline enjoyment later. We have hundreds of thousands of titles to choose from, with more being added daily. Hoopla is like having your public library at your fingertips. Anytime. Anywhere.

AppleTV, AndroidTV, Roku, and FireTV.

Hoopla has over 800,000 titles with movies from studios such as Disney, Miramax, and A24 and TV shows from AcornTV, BBC, and TNT.

## How long can I borrow items from hoopla?

Movies & television shows - Three (3) days

Music albums - Seven (7) days

eBooks, digital audiobooks and comics - 21 days

## How many items can I check out from hoopla?

Check out five items every month, with a new five item limit available at the start of each calendar month.

You will need the 14-digit number found on the back of your Marion & Ed Hughes Public Library card and your PIN to use Hoopla digital. Your PIN will be your last name in lower case letters.

Tonight, why not go online and look around to see if you can find an old favorite or a brand new title for check out?

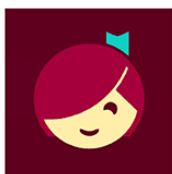

The benefits of Hoopla digital include:

- Every item in the collection can be viewed, read or listened to through a single app or the Hoopla website.
- Every item is instantly available, so you never have to wait for an item to be checked back into the library to borrow it.

You can download the free Hoopla app from the Apple App Store and Google Play store. It's available for iPhones, iPad, Android phones and tablets as well as

**Our digital collection is always open!**  
Enjoy ebooks & audiobooks anytime, anywhere.

for more details

Have you used up all of your check outs on Hoopla for the month already? Have you watched all the movies on the Overdrive app already? Have you already seen everything the local channels are offering you? Are you looking for something else to watch while we stay at home more? Have you heard of the free streaming app Tubi?

Tubi is 100% legal unlimited streaming, with no credit cards and no subscription required. Choose what

you want to watch, when you want to watch it, with fewer ads than regular TV. Tubi is the largest free streaming service featuring award-winning movies and TV series. There is

something for everybody; from comedy to drama, kids to classics, and niche favorites such as Korean dramas, anime, and British series.

Tubi adds free HD shows and movies every week, so you'll never run out of entertainment to stream on the go

(and at home!). Their goal is to offer as many categories of TV shows and movies as they can so you don't have watch the same old thing over and over again. Not only are their movies and online TV shows always free and available anywhere but they're also highly rated on IMDb and Rotten Tomatoes. All of their categories are free to choose from, including New Releases, and Anime TV series

that you can't find on other popular subscription video apps. Our Anime collection has Naruto, Yugi-oh, Cowboy Bebop, and much more.

While Tubi doesn't have original programming or live events that other

streaming services may have, it does allow for people to stream a variety of movies and TV shows that they wouldn't be able to find on other streaming sites. It's easy to start watching. Once you have the app downloaded, you can sign up for a free account and start watching right away. This is just another option to keep you entertained in this "New Normal" we have now.

## Read It B4 U C It: Dune

Before the pandemic, going to the movies was an ordinary occurrence. We hope that soon we will once again get to go to the movie theater and watch some of our favorite actors on the big screen. Until then, why not pick up one of the books this movie coming to theaters in December is based on?

A mythic and emotionally charged hero's

journey, "Dune" tells the story of Paul Atreides, a brilliant and gifted young man born into a great destiny beyond his understanding, must travel to the most dangerous planet in the universe to ensure the future of his family and his people. As malevo-

lent forces explode into conflict over the planet's exclusive supply of the most precious resource in existence—a commodity capable of unlocking humanity's greatest potential—only those who can conquer their fear will survive.

This adaptation will star Zendaya, Timothee Chalamet, Jason Momoa, and Josh Brolin. It's expected to come to theaters in December of 2020.

Parents!

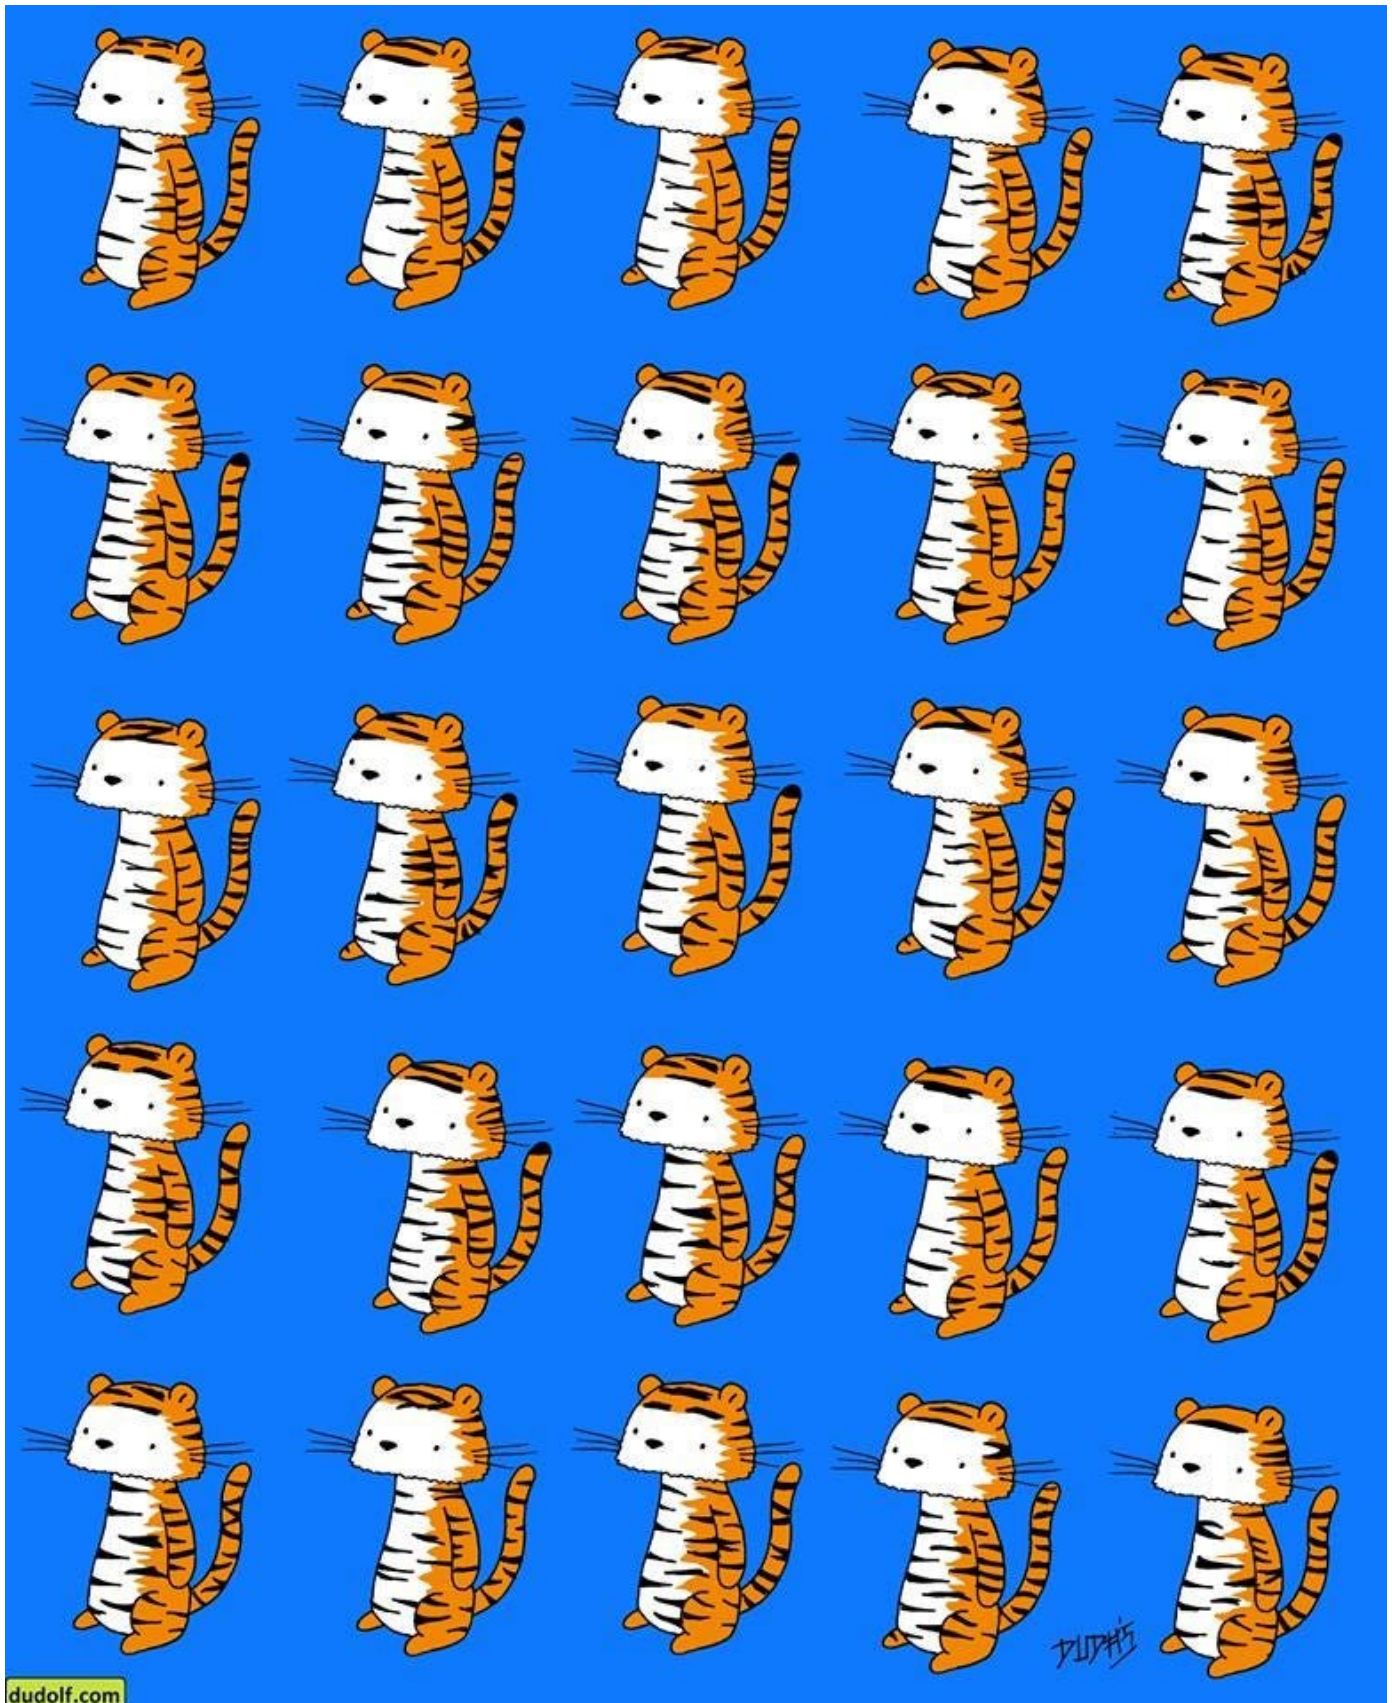

School starts soon!

Why not get them reading at home with some ebooks with TUMBLEBOOKS?

You need:

- Library Card
- Computer or Tablet
- Internet Access
- A love for reading

Spot the tiger WITHOUT a twin!

# Story Time Live Schedule

The pandemic has made this summer a different one for us all. Ms. Molli and Mr. Noah have changed things up by putting our weekly story times on Facebook Live to keep you entertained while you have been at home staying safe. We will be continuing to do that for the remainder of the summer. We have the schedule for the story times until the end of August hoping that everyone will have as much fun listening to the books as we do reading them. We will also post the instructions and/or printables for the crafts we'll be doing at the story time live events. Please join us on Wednesday and Thursday mornings at 10:30 am on the library's Facebook page to have all the fun.

It's story  
**TIME**

## MARION AND ED HUGHES PUBLIC LIBRARY

2712 Nederland Ave  
Nederland, Texas 77627  
409-722-1255

# International Children's Digital Library

Have you ever tried to read a book that was not written in the language you speak? If you have not, could you imagine how hard that must be especially for a child? The Marion & Ed Hughes Public Library has put a link on the Booklists for Kids page under the Reader's Corner tab (<https://www.ned.lib.tx.us/mehpl-readers-corner-1>) to the International Children's Digital Library.

The International Children's Digital Library (ICDL) is a five year project funded primarily by the National Science Foundation (NSF) and the Institute for Museum and Library Services (IMLS) to create a digital library of international children's books. This five-year research project, created in collaboration with the Internet Archive and conducted by the University of Maryland has five primary goals:

- To create a collection of more than

10,000 books in at least 100 languages that is freely available to children, teachers, librarians, parents, and scholars throughout the world via the Internet;

- To collaborate with children as design partners in the development of computer interface technologies that support children in searching, browsing, reading, and sharing books in electronic form;
- To better understand the concepts of rights management and "fair use" in a digital age;
- To evaluate the impact that access to digital materials may have on collection development and programming practices in school and public libraries;
- To develop a greater understanding of the relationship between children's access to a digital collection of multicultural materials and children's attitudes toward books, libraries, reading, technology, and other countries and cultures.

The materials included in the collection reflect similarities and differences in cultures, societies, interests, and lifestyles of peoples around the world. The collection's focus is on identifying materials that help children to understand the world around them and the global society in which they live.

The collection has two primary audiences. The first audience is children ages 3-13, as well as librarians, teachers, parents, and caregivers who work with children of these ages. The second audience is international scholars and researchers in the area of children's literature.

The library hopes that including this digital collection will give more children and adults access to more books in their native languages to enjoy. As of 2017, the ICDL has almost 5000 books digitized in 59 different languages for children and adults to explore. Why not do a search to see what types of books are available?
