from the Library

The library has purchased a new Ultimaker 2 3D printer to add to our Mobile Maker

We will be having a demonstration of how the machine works and where you can find downloadable files. We will even demonstrate the program that the Ultimaker company suggests you use to create your very own files for the printer to print. Join us for the live demonstration at the library on

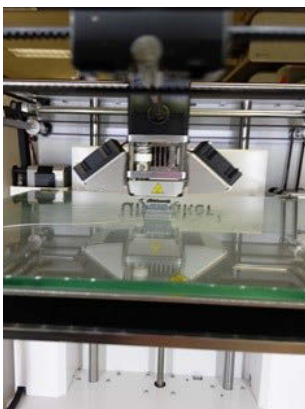

Right now we are working up a schedule and price range for the public to drop off files for printing. We can't wait to see what YOU come up with to print. Keep an eye out to see when we will start taking print requests.

This was made possible by a grant from the Wilton & Effie Mae Hebert Foundation.

LEGOS

We have LEGOS! (and Duplos) We are going to be starting a monthly Lego Club where patrons ages 8 to 108 can come and build something amazing and then spend some time talking about what they built to the group.

Our first meeting will be Monday March 14th from 4:00-5:30 in the library. It will be a FREE BUILD day and everyone in attendance will be put into a drawing for a MYSTERY MINIFIGURE! We do ask that Parents MUST stay with children under the age of 12!

We will discuss what we will want as themes for the rest of the meetings of the year at the first meeting. Everyone will get a chance to put in their ideas for us to consider so think about what you love to build or really want to try to build.

Don't worry Moms! The younger group can come too. We have a collection of Duplos for the under 8 so they will be able to build, create and play with during the Lego Club time! We do ask that Parents MUST stay with children under the age of 6!

I took a trip today
I went far far away
I saw mountains and the sky all in
my mind's eye
I heard the ocean roar and the
lake lap gently on the shore
I rode a horse over
hill and plain
I felt the wind and
tasted the rain
All of this I did in a Book

Big? Huge?? HUMONGOUS?? Annual Book Sale

We've been collecting books, audio-books and other things for our Annual Book Sale all year long. The book sale is conducted by the Friends of the Nederland Library to help raise money to subsidize the Library's budget for items such as:

Incentives and prizes for the Summer Reading Program and special events;

Furniture and display items throughout the library; or

Equipment such as, Xbox 360 and Wii used during the open gaming and gaming events, computers and media system in the meeting room.

The Book Sale is an excellent way to pick up some books to add to your collection or just some take with you entertainment for those summer trips away from home. With most hardcover books going for \$1.00 and all pocket

paperback books for 5 for a \$1.00, every book you find is a hidden treasure.
