Getting Crafty

Woo Hoo!!!! The last Getting Crafty programs have been great! We have had fun and want to continue!

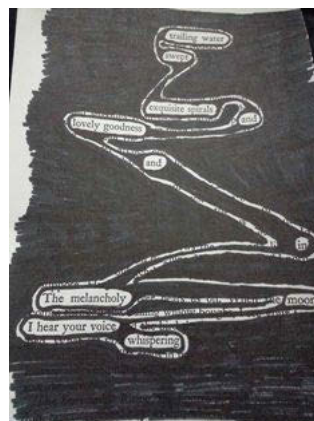

The March Getting Crafty program will be on **Thursday March 19th from 4:00 pm until 5:30 pm**. We want everyone to bring their cell phones, tablets, iPads, etc. so that we can make **Duct Tape covers/**

sleeves/holders. If you can't bring your digital items, measuring it and bringing the dimensions will be great too.

April's Getting Crafty program will be a little bit different type of craft. We will be making our own **Black Out Poetry**. You may bring an old book that you don't mind tearing up to make the poem more personal. Join

us on **Thursday April 16th from 4:00 pm until 5:30 pm** as we create the object that will collect all of the nightmares before they make it into your mind.

Come join us, learn how to make a craft, and have a great time!

Homeschooler Survey

The Marion & Ed Hughes Public Library's goal is to provide balanced collections and services. We are very interested in discovering how those resources are meeting the needs of homeschoolers. We also need your input on other non-textbook materials or resources that will fit your homeschooling lessons or life plans. If you are a homeschool parent or student, we'd appreciate you filling out the survey at https://www.surveymonkey.com/s/ned_homeschool

Please feel free to pass this information on to other homeschool parents or students you may know. Thank you for your assistance.

National Library Snapshot Month

We know what you are thinking....What do you mean "Library Snapshot Month?" We are talking about stopping and taking a picture of a day in the library to show what it is like to be in our library...the fun we have, the services we offer, the books or movies that you can check out

for enjoyment. Over the course of the year, we take several pictures of what goes on here. Story time is a great time to take pictures of the kids enjoying the stories and playing at the kitchen afterwards with their friends. During our classes, we love to take pictures of the people having those "Eureka" moments where they figure out that learning something new really was not as hard as they thought it might be.

These photos are a great way to see how the library grows and changes through time.

I took a trip today
I went far far away
I saw mountains and the sky all in
my mind's eye
I heard the ocean roar and the
lake lap gently on the shore
I rode a horse over
hill and plain
I felt the wind and
tasted the rain
All of this I did in a Book
