BULL DOGS OPEN SEASON WITH A BANG

NELDERLAND TIES JASPER 6-6

The Nederland Bulldogs opened their football season Sept. 23, by playing a 6-6 tie with Jasper. This score is credited to the fact that the Jasper field was very hilly and sandy. Daigle was away several times but failed to score because of the loose sand. The Nederland Bulldogs decidedly outplayed Jasper having gained 12 first downs to their 8. They showed plenty of spirit, and were always in there hustling and fighting although the advantages were against them.

The outstanding players of the game were hard to name, for it seemed as if the Nederland Bulldogs were everywhere at once. But the defensive work of Sanderson, Ware, McBride, and McMahon was outstanding. The offensive work of Daigle and Peveto also gained recognition. Last year, Jasper won the bi-district championship, but was later defeated by Humble for the regional championship. This year they have six letter men back, but this failed to impress the Nederland Bulldogs.

The touchdown was scored in the second quarter on a pass from Daigle to Ware who was run out on the two yard line. Then Daigle plunged over for the six points. For the extra point, Daigle failed to kick the goal. Nederland threatened

COLUMBUS DAY

Students and parents should more fully appreciate Columbus Day because of its significance to us. Columbus Day, which is greatly commemorated in America, is the twelfth day of October, the day Columbus and his men landed on the shores of America and gave thanks to God that He had been with them through the voyage and helped them achieve success.

Although Columbus Day is not a national holiday, it should be a very commemoratable one in the heart of every American citizen. It was through Columbus' undaunted courage that the American continent was discovered. "He gained a world; he gave that world

Its grandest lesson: "On! Sail on!"

HALLOWE'EN

Gosh, who slammed that door? What's that noise? Listen to the wind howling! Oh, a ghost!!! What is it all about? But say, this is October isn't it? Now, I understand it all- Hallowe'en is drawing near. And don't forget, folks, Hallowe'en means a Spooks'Convention and a Spooks'Convention means fun, and Oh! What fun!!! Let's all pull together and make this the biggest and grandest annual celebration that has ever been staged in the history of our school.
THE VALUE OF A SCHOOL PAPER

If there is any question in the minds of any of the readers of this paper as to its value to the Nederland High School, we deem it a privilege to point out to you some of the points that make it an asset to our school.

In every well-organized high school there should be some specific thing in which every student is interested and which creates a feeling of unity. Nothing can accomplish this purpose more effectively than a school paper. It keeps students informed on school activities and furnishes a source of great enjoyment. A live school periodical is a very effective means of creating a school spirit, a very necessary thing for ideal school work or play.

Through association with members of the staff, students may convey their own ideas and suggestions to the paper and thus gain a larger audience for them.

Through the medium of exchange editors, the different schools may exchange papers and thus acquire new ideas and new material for thought.

And, lastly, the experience which a student acquires through his direct contact with the publication of this periodical may help him to determine whether or not he may become a successful journalist.

ABOUT THOSE SONG BOOKS

It is a well known fact that Nederland High School is very desperately in need of some new song books. We have no books whatsoever to use on assembly days. If you should be presented with these books, we feel certain that every student would cooperate with the school in being just as careful of them as possible.

And by the way, Mr. Pietzsch, do you remember that promise you made us regarding song books? We are going to hold you to it, and we want action. NOW!

FOR SENIORS ONLY

NEDERLAND 6—JASPER 6

(Continued from page one)
Jasper's goal line many times by the use of a passing attack in the last quarter. The game closed with Nederland in scoring position on Jasper's 20 yard line. Coach Kono- ny was very much impressed by the spirit of his boys and their showing against Jasper.

The line-up was as follows:
Premeaux---------------- Right End
McBurnett---------------- Right Tackle
Haizlip----------------- Right Guard
McBride------------------ Center
Sanderson---------------- Left Guard
Richardson---------------- Left Tackle
Waro--------------------- Left End
Peveto------------------ Quarter-Back
McMahan---------------- Half-Back
Daigle----------------- Half-Back
Mouton---------------- Full-Back

Substitutions: Sweeney for McMahan, Manning for Richardson, Arnold for Premeaux.

NEDERLAND TROUNCES ST. ANTHONY 38-0

The Nederland Bulldogs met the St. Anthony Bulldogs at 3:30 P. M. Saturday, September 30, at the Royal Purple Stadium in Beaumont. Nederland was able to trounce St. Anthony because of the wonderful blocking and tackling of Mouton, McMahan and the entire line. The plays were well chosen by our quarter-back, Peveto. We were able to hold them through the great defensive playing of Sanderson, Waro, and Mcburnett. Peveto was able to call plays that worked, because the whole line co-operated.

Daigle was the star ball carrier for Nederland. He was able to score four of the six touchdowns which were made. The first touchdown was made possible when Sanders blocked a punt on the ten yard line with Ware doing the recovering. It was carried over by Daigle through a series of off tackle plays. The second touchdown was scored through a series of line plunges by Daigle, Mouton, and Peveto. The third touchdown occurred when Ware blocked a punt on the fifteen yard line. McMahan carried the ball to the two yard line. Daigle scored by a pass from Peveto to Daigle. (This was the famous "Flip pass" of Peveto's for which he is well known). The most sensational play was when Daigle intercepted a St. Anthony pass on the fifty yard line and ran for a touchdown. He was able to score because of the beautiful blocking of Premeaux. The last touchdowns were scored by Peveto and Mouton. They were possible through a series if line plays.

The starting line-up was:
Waro--------------------- Right End
McBurnett---------------- Right Tackle
Sanderson---------------- Left Tackle
Richardson---------------- Right Guard
McBride------------------ Center
Haizlip----------------- Left Guard
Arnold------------------ Left End
Peveto------------------ Quarter-Back
Daigle----------------- Half-Back
McMahan---------------- Half-Back
Mouton---------------- Full-Back

Substitutions:
Bodomuller, Bailey, Premeaux, Koolemay, Manning, Babb, Sweeney, Vornor, and Dumaneil.

ON TO LIBERTY!

After defeating St. Anthony by a 38-0 score last Saturday, the Bulldogs meet the Liberty Tigers in their first conference game of the season in Liberty.

(Continued on page 5)
Mary Frances Newton has been unanimously elected Sponsor of the football team for this year. This decision is credited to her popularity, interest in the team, personality, and (ahem!) beauty. (A team, you know, has to have some inspiration).

And she is not "beautiful but dumb" either. It is usually thought that a person popular on the campus and engaged in athletics neglects his studies, and is inclined to make poor grades, but not so with Mary Frances. She ranks among the first three in the Senior Class so far as grades go. It just seems natural for Mary to always know what other students either forgot or never did know. When any strenuous intellectual work is needed around the school, Mary is always called upon.

This school has been lacking in spirit for many years, and the football team has decided to make this year a turning point; so Mary Frances is the one to whom the boys have entrusted the task. And here's betting that she will show these students a thing or so about school spirit. The boys in their opinion say that she is the find of the season.

Besides being the choice of the boys, she is also the choice and favorite of the girls. In other words, she is the "Sweetheart of Nederland High".

ANOTHER GOOD WILD CAT TEAM THIS YEAR

The Wildcats will open their season this year with nine old girls back on the court. They are: Ouida Eldridge, Bobbie Williamson, Frances Goodwin, Inez Milla, Mary Frances Newton, Marie Rienstra, Evelyn Luke, Velma Rae Yentzen, and Olga Milla. Three of these girls lettered last year, namely: Inez Milla, Ouida Eldridge, and Mary Frances Newton. The remainder of the team consists of girls who played on the Junior team two years ago and who won the County Championship. Also they have one years experience on the Senior team.

We have heard rumors that some of the new girls in high school are good at the game.

We hope that every girl will listen for the first call to practice. We are looking forward to a successful season.

Other outstanding Junior players of last year, who are eligible for try-out on the High School Senior team are: Shirley Gibson, Evelyn Wagner, Loretta Sherman, Janice Williams, Onieda Quinn, Maryon R. Yentzen, Ethel Spencer, Ouida Parker, and Lois Bodemuller.

DRIVE IT IN!!!

Only a few more blows needed to drive it home, so let's not quit or lay down the hammer.

If the football boys intend to complete their season's schedule, something must be done in regard to finance; and it is left up to the student body to do it.

Come on gang, let's all buy a season ticket and be there for every game with lots of vim, vigor and vitality.

LIBERTY GAME

(Continued from Page 3)
The Bulldogs have a light team this year, but their pre-season games have shown very much determination to win. And with this spirit the team will battle Liberty. Very much will depend on the outcome of this game—a victory of Nederland will mean a big step toward the District Championship.

INEZ MILIA TO CAPTAIN WILDCATS THIS SEASON

At a meeting held Monday afternoon, Inez Milla was unanimously elected captain of the girls' basketball team for this season. Inez has been on the team for two years, and has proved to be a good sport in every way.

Marie Rienstra was elected to act as business manager for the Wildcats.

STAFF ELECTED

The responsibility of the publication of the "Announcer" will rest entirely upon the Senior Class.

The fourteen students who are to fill the positions of the staff were chosen for their dependability, adaptability, and good grades.

Although the staff will be largely responsible for the publication of the "Announcer", the cooperation of every student and teacher in high school is earnestly solicited in order to make "The Announcer" the big success that we all desire. Let's be boosters, not buckers!

If you talk about your troubles And tell them o'er and o'er, The world will think you like them And proceed to give you more.
Coach J. F. Konecny spoke over Radio Station K. F. D. M. Thursday evening at 6:40 o'clock. He is very much elated over the prospects of a good team this year. In fact, hopes loom brighter this year for District recognition and a advancement than for some time past.

Some of the questions asked are as follows:

1. How has your team been showing up in pre-season work?
2. Who is your next game with and what do you think of the game?
3. What is the average weight of the back field?
4. Who are some of your back field candidates?
5. What is the average weight of the line?
6. Who are the players?
7. What are the other games on your schedule?

His remarks and answers to these queries are embodied in the following:

With only seven letter men back this year we are facing a very difficult schedule. However, due to the early season performance of the team I feel sure that we will be able to give each of our opponents a good game. In our opening game against Jasper, although we were fortunate enough to play a 6 to 6 tie, the fighting spirit of the team was very encouraging and the squad showed a great deal of improvement last Saturday in defeating St. Anthony of Beaumont.

We have been working hard this week preparing for our first conference game to be played in Liberty tomorrow. You will remember Liberty as a serious contender for the Bi-District Championship last year, and from all reports they are bidding for this title again. Therefore, we are expecting a hard game.

The average weight of the back field is about 145 lb. One of the outstanding triple threat back field players is Ashton Daigle, a four year letter man who seems to be a serious contender for an all district position this year. We have a very good blocking back in Mouton and several of our touchdowns have been made possible by his excellent work. Then we have a very capable field general in Peveto, although in his first year in this position he runs the team like a veteran. In McMahon, 125 lb. back, we have a fast hard hitting defensive man who is a threat at all times. The other back field candidates are Sweeney, Dumesnil, and Babb.

The average weight of the line is 160 lb. At ends we have Promeaux, Ware, and Arnold. They have proved their ability to fill this position very capably. At tackles Sanderson, 180 lb., four year letter man; McBurnett, 185 lb., and Manning; at guards, Haizlip, Richardson, Koelemay, and Verner; at center, McBride and Bedemuller. Each of these players has given a very good account of himself in pre-season games.

The other games on our schedule are: Daisetta, Oct. 13; Dayton, Oct. 20; Saratoga, Oct. 27; Orange, Nov. 4; Cleveland, Nov. 10; French, Nov. 17; and Pt. Neches, Nov. 24.
HERE & THERE WITH THE TEACHERS

Chicago, The Century of Progress Exposition, proved to be the most popular place this summer for the teachers. Quite a number of them attended and enjoyed it very much. Those attending were: Misses Earle, Lauderdale, Wood, Barron, Pinkerton, Johnson, Press, Bernhard, Fields, Davis, Gerbens, Rienstra, Mrs. Linson, Mr. Pietzsch, and Mr. Mathews.

It seems to be a big joke when any mention "Chicago" to Mr. Mathews. We wonder why?

Miss Johnson took a boat trip this summer through several interesting places, especially Wisconsin and Illinois, and she reports a very pleasant time.

Mr. Keeling spent several days in Corpus Christi and San Antonio. He says that he did not have a good time, because it was too hot.

Mr. Wilson visited the Evangeline country of Southern Louisiana and several places in good old East Texas.

Miss Newsom visited New Orleans and Mississippi; also her home town in Tennessee.

Miss Hansbro and Miss Williams spent their summer in their home town, Cold Springs and Sherman, respectively.

We have two new teachers with us this year: Miss Smith from Pt. Arthur, and Miss Wilkerson from Holland, Texas.

Miss Lindsey and Mr. Adams, members of the faculty last year, have accepted positions elsewhere. We also lost two of our teachers, Miss Maxwell and Miss Lester, through marriage.

Miss Lauderdale and Miss Fields attended school during their visit to Chicago. Mr. Mathews attended summer school at the University of Texas.

NEW STUDENTS

There are many new students in high school this year, coming from different parts of the State. They are: Gleta McFarland, Georgia Jones, Hazel England, Kermit Carter, and Lillian Quiñódeaux from Port Neches; Juliet Davis, Lola Bailey, Thomas Moore, Gordon Arnold, and Florence Reynolds from Beaumont; Agnes Thorp from Waco; Ruby Harvill from Alice, Texas; Dorothy Meadows from Orange, and Merrell Peet from Liberty.

We welcome these new students to our school and hope that they will like it and enjoy themselves.

NEDERLAND WELL REPRESENTED ON EXECUTIVE COMMITTEE OF DISTRICT 27

Mr. Pietzsch and Mr. Wilson have been unanimously re-elected as Chairman of the Executive Committee and Secretary-Treasurer, respectively, of Football District 27 this year. This is the second year that this honor has been conferred on them.
MARY FRANCES NEWTON TO ENTERTAIN TEAM WITH PARTY

Saturday Night, Mary Frances Newton will entertain the football boys with a party. Those invited are the football team, the sponsor and the maids.

MR. AND MRS. VERNOR TO GIVE RECEPTION

Members of the faculty are cordially invited to attend a reception at the home of Mr. and Mrs. R. L. Vernor, Friday Night, October 6, at 8:30 P.M. Mrs. Vernor has named as honor guests, her brother and sister-in-law, Mr. and Mrs. E. J. Sackett.

YELL LEADERS CHOSEN

Thursday afternoon at assembly the student-body chose their yell leaders for the season’s football games. John Goodwin was chosen as the main yell leader with Janice Williams and Wilbur Griffin to act as assistants. Several sessions for yell practice will be called next week and all the students are expected to be to help perfect an organization which will help to cheer our Fighting football team on to victory. There is nothing that will inspire a team more than a good rooting section with plenty yells full of that old school spirit.

So, let’s be there, gang. Let’s be yelling just as strong for our team when the last whistle blows as when the game starts. That’s the stuff that it takes to win.
LIBRARY RECEIVES TWO NEW BOOKS

Two new books have been donated to the Library this year; Mrs. Linson being the donor. One book of fiction, Mrs. Grace Louise (Smith) Richmond's "High Fences" and Professor Joseph L. Clark's "The Story of Texas." Professor Clark is head of the History Department Sam Houston State Teachers College, Huntsville, Texas.

Mrs. Richmond's "High Fences" has already proved popular among the students.

It seems that two writers, David MacRoss who loved the country, and Ross Collins who loved the city, met at a dinner party and the conflict began. Many chapters later they decide to declare an armistice and live happily ever afterwards. Professor Clark had tried to tell "The Story of Texas" simply and truly. The events are grouped into seven large units, or periods of history. These in turn are divided into chapters, each representing some important part in the development of the history of the state.

FRESHMEN HAVE LIBRARY COURSE

Library Science, "Well, that is a new subject," said the Freshmen. Twelve lessons in Library Science are being given the Freshmen classes this year. The course consists of twelve lessons for six weeks, two lessons to each section weekly.

The class is open for Seniors and others that interested in knowing the use of the Library.

After a final check the Librarian had found that J. Frand Dobie's "A Vanquero of the Brush Country" has been most popular among the boys and the girls seem to like Edna Ferber's "So Big", Louisa Mae Alcott's "Little Men", and "Little Women."

THE DISTINCTION

Him: "My Treasure!"
Her: "My Treasury!"

IMMATERIAL

Prof. Pietzsch: "Now, if I subtract 25 from 37 what's the difference?"
Ethel Adams: "Yeah! That's what I say. Who cares?"

DEFINITION

A communist is a fellow who is willing and able to change anything except a dollar bill.

1929 MODEL

Darold: (To coach) - "Sir, your car is at the door."
Coach Konecny: "Yes, I hear it knocking."

Dennis: "I call my girl Mortician, because she'll undertake anything."

Mrs. Linson (to staff): "How many of you can type?"
Russel (raising his hand): "I can, the Columbus method—discover their land."

Miss Earl: "What are the powers of the Executive Department?"
Judith Schon: "To execute people."

It is better to be silent and thought dumb, than to speak and remove all doubt.

Mrs. Linson: "What influence did the Norman Conquest have on Literature of this period?"
Oren: "It brought back Norman times."

TRUE TO LIFE

Artist: "This is my latest picture, 'Builders at Work.' It's very realistic."
Frieda: "But they aren't at work."
Artist: "I know. That's the realism."

TRUE TO COLOR

Johnnie Arnold: "Say, Coach, what does VIBGYOR mean?"
Coach Konecny: "Ah, that's the different colors—follow turns in his first football game. (Violet, indigo, blue, green, yellow, orange, and red)."

THE END OF THE WEEK

Mr. Wilson: "This makes the fifth time I have punished you this week. What have you to say?"
Karen: "I'm glad it's Friday."

REV. A.T. WALKER ADDRESSES STUDENTS

At a general assembly of .
high school and grade school stu­
dents, Sept. 28, Rev. A. T. Walker
of Huntsville, made an interesting
and instructive talk on old "Blue­
Back-Speller" days. He made an
earnest appeal to high school stu­
dents to take advantage of their
present opportunities.

MR. A. MARKS SPEAKS TO STUDENTS

Mr. A. Marks, a Hollywood
movie star, addressed the general
assembly October 4, on "Mother"
and "Hollywood".

He paid great tribute to the
mothers of all nations and told
the students to always honor and
respect their mothers, who at any
time may be taken from them.

He advised the students to
stay away from Hollywood unless they
have exceptionally good brains,
because they will only come to ruin.
He earnestly appealed to them to be
sure to stay in school to finish
their education, if it is at all
possible, because in later life they
will never regret it.

MR. GROVER C. GOODE TALKS TO HI-Y CLUB

The 1933 Hi-Y Club of the
Nederland High School is away to a
new start this year with approxi­
mately forty boys out for the first
meeting under the leadership of
Mr. Keeling. The first meeting was
held in the study hall with Mr.
Grover C. Goode, Boys Work Secretary
of Dallas, Texas, delivering a most
interesting address. His talk was
centered principally around Christia!
character of boys. He urged all the
boys to unite as a whole, and to do
all in their power to help President
Roosevelt and the NRA.

Mr. Goode has invited as many
boys as will go to the Hi-Y camp
this following week at Camp Ross
Sterling. He also presented our
group with material which he said
would enable us to carry out our
meetings. Mr. Goode says that the
next Hi-Y Conference will be held
at Galveston about January 17, 1934.
We sincerely hope that all the Neder­
land Hi-Y Club will be able to go,
also that we can get the cooperatior
of its members in doing all that is
possible at this critical time.

DAIGLE-SANDERSON APPOINTED CO-CAP­
TAINS; GRIFFIN BUS. MGR.

Ashton Daigle, star half-back
of the Nederland Bull Dogs was ap­
pointed by Coach Koneen to act as
Captain this season. Ashton has let­
tered four years and has always
proven a sport in every game in which
he participated.

Edward Sanderson, left guard,
(Continued on Page 12)
of the team, was appointed Co-Captain and Goodwin Griffin as Business Manager.

HIGH POINTS OF INTEREST-CENTURY OF PROGRESS EXPOSITION

For the benefit of those who were not fortunate enough to attend the World's Fair, we have asked the high school teachers who attended to tell us what they enjoyed most.

Miss Pinkerton: "The general effect of the lighting was very beautiful. For real interest, the Hall of Science was finest. Then, of all things in it, the Transparent Man—showing the organs of the body in their respective position and color—was most interesting. The "color scheme" of your body is most beautiful."

Mrs. Linson reports great interest in the Travel and Transport Building. In this building the history of all our travel and transport from the earliest date to the present times were exhibited.

Miss Wood: "The Hall of Science was by far the most interesting to me—so interesting in fact, that I spent two whole days in it and tried to find time in the eight days I was there to go back. Other than this, the Sinclair and Firestone exhibit interested me most."

Miss Earle was most interested in the Geological Clock, which is a large clock with pictures of explanation of the beginning of the world up to the present date. She was also interested in the jewelry of the ancient Aztec Indians recently excavated in Mexico. These were not as numerous, but were said to be more beautiful than the jewelry found in Tut-Ank-Amen's tomb.

The Planetarium proved to be of most interest to Mr. Mathews. Although he was only in it one hour it was equivalent to 2 years. Ask him how he gets that—we're not mathematicians.

Mr. Pietzsch: "The application of sound, light and mechanical devices to all forms of exhibits, at the Century of Progress, impressed me most. Many of the exhibits appeared as almost human in action. Many a deep scientific truth was so well set forth that a child could understand them. Next in importance to me were the many changes in life and mode of living in the past, and to see what the future hold in store for us in the application of science to our mode of living.

Miss Press enjoyed most sitting down and cooling her heels.

TEXAS AS WILL ROGERS SEES IT

I been flying, train riding, automobile and horseback and buggy riding over Texas for thirty-three years and I've never seen a tenth of it. If it had been in Europe, eighty wars would have been fought over it. There is single ranches here bigger than France. Counties bigger than England. Saddle horse pastures big as Alsace Lorraine. The lakes of Switzerland would be buffalo wallows in Texas. It's located between Mexico and the U. S. to keep Mexico from annexing the United States.

It's so far from town that the cowboys who started in to vote for "Teddy" arrived in time to register for "Franklin." It's "Vatican" is the town of Uvalde, its pope is John Nance Garner. Its whole industry is international politics. It's so big that no one governor can handle it. They have to have a man and his wife. It's the only state where a Republican has to have a passport to enter.

P. S.—They would use California for a telephone booth here.
