"How much better is it to get wisdom than gold! Yea, to get understanding is rather to be chosen than silver."

PROVERBS 16:16

These words were written many years ago, but they stand true today. It is true that we have come a long way in life. We think that we know just about all there is to learn. But we must realize that we can never stand still. We must either go forward or backward. Let us now resolve to go out into life with open minds. If we strive for a higher goal, we shall surely be successful.

—SALLIE FOWLER

GRADUATION

Our diplomas we’re receiving
   On this long-awaited day!
This assembly now we’re leaving
   Each to go his separate way.
We are standing on the threshold
   Of a new, exciting life!
But unfearful of the sharp cold,
   We’re prepared to meet the strife!
We shall with a strong endeavor
   Onward toward our goals proceed;
"Forward ever, backward never!"
   That will always be our creed.
But forever we shall treasure,
   With the things we hold most dear,
Memories of the days of pleasure
   Spent at Nederland High each year!

—BETTY JEAN HAMMOCK
I had some extra time on my hands the other day, so I decided to look up some of my old classmates and see what progress they had made. The results were surprising.

ALLEN ADAWAY has just married Margaret O'Brien but can't make up his mind over her or his newspapers.

CHARLOTTE BAILEY is now head of the Old Maids' Home; so far she enjoys it.

JEAN BAILEY has her fire department but gets tired of the false alarms.

PAT BAKER has five or six drug stores and has a hard time making Carl work.

CHARLES BEARD is still wondering where his girl went but says the bachelor's life is o.k.

The last I heard of JAMES BEDWELL was that he was still running for governor of Oklahoma.

HOMER BLACK has just won the title for the All-American athlete.

SANDRA BRYAN is wanted for the killing of her seventh husband, but we all know she's innocent.

HULENE BURNS has finally been made manager of Thames Drug Store in Beaumont.

DAVID CAMP is director of one of the hottest bands in the state.

CONRAD CARLSON is head coach in volleyball at the University of Texas.

Can you imagine VERNICE CESSAC getting the title of Miss Texas?

CATHERINE CHADDICK is still asking boys for dates but says there's no life in that.

As we all know Pro-Football is noted for its CARL COODY. Carl says he can really play that stuff.

LUCILLE ENGLAND runs a washateria and is always griping about the machines being water-soaked.

A woman's league has just been started by PAT FAWVOR STAFFORD and she keeps wondering why women can't be presidents. Of course we all know.

GLEN GUTHRIE has been taking Earnest Tubb's place since he's been sick.

GLEN GUTHRIE has been taking Earnest Tubb's place since he's been sick.

We should all feel sorry for CHARLES HANDLEY who is in Alcatraz for stealing the Empire State Building.
