## FUN ST. PATRICK'S DAY FACTS

The color of St. Patrick's Day was originally blue.

Legend says that each leaf of the clover has a meaning: Hope, Faith, Love and Luck.

Your odds of finding a four-leaf clover are about 1 in 10,000.

Irish legends say that if you wear green on the day, you are invisible to Leprechauns. If you are not wearing green, leprechauns can see you and will pinch you!

Saint Patrick is credited for driving the snakes out of Ireland, but according to the fossil record, Ireland has never been home to snakes as it was too cold to host reptiles during the Ice Age. The surrounding seas have kept snakes out since.

To celebrate St. Patrick's Day, Chicago dyes the river green for a few hours.
