Looking for a book we don't have? TRY INTERLIBRARY LOANS!

Interlibrary loans are when our library borrows a book from another library. You will need your library card number and a working phone number in order to request a book. It can take 1 to 3 weeks for an item to arrive.

MAKE AN INTERLIBRARY LOAN REQUEST AT THE FRONT DESK OR ONLINE!

Online: Go to the Nederland Library website (ned.lib.tx.us) and select the link "Interlibrary Loan" from the tool bar at the top of the page. Then check the Texas Armadillo Network for the title of the book. When you find the edition of the book you need, click "Request Item" button and fill out the form that pops up.

In person: Simply request a form at the front desk and fill in the author's name and title of the book, along with your contact information.
